

Abioye Ayomide Jamiu

Web Developer / UI designer

Dedicated computer science graduate with a strong understanding of web and mobile design principles. Proficient in using various technologies such as HTML, CSS, and JavaScript to create visually appealing and user-friendly websites. Proven ability to develop and implement web development projects from start to finish, using a combination of technical and creative skills. Strong teamwork capabilities as well as great communication abilities. Seeking a challenging role in a dynamic and innovative organisation where I can continue to learn and grow as a web developer.
